**Annual Duffers Tournament**
The annual Duffers Tournament will be held on **Saturday, February 1, 2020.**
Origin and history: The first tournament was held @ Llano Grande golf course in February 2004 and consisted of 22 – 3 person teams. Drinks and lunch followed at the golf course. The size of the tournament grew each year and a new venue was found at Mid Valley golf course. Lunch and handing out prizes were moved to the Trails End hall. When the Mid Valley course closed the tournament moved to the Tony Butler golf course. Sign up teams were always 4 person teams, with one member being female. All teams started at hole number one. The present tournament is an in-park mixed scramble format, 4 person teams and at least 1 of the opposite sex. It is scheduled for Tony Butler on February 1st, with an alternate date of February 22, 2020. Notices of time line for entries will be posted in early January.
Last year we changed to couples OR foursome sign ups and we used a shotgun start format. This worked very well as it allowed foursomes to sign up and it also allowed twosomes to sign up and then be paired with another twosome. In keeping with the equal gender attitudes, we no longer required one team member to be female. The shotgun start format allowed all participants to take part in the after-tournament festivities at the same time. This system worked well and will be used in 2020.

Anyone with prizes to donate can see any tournament committee member. We ask that prizes be golf or sport related.

For more information, please contact Frank Vande Graaf @ 265 Jamaica Street and watch for further details in the park newsletter.

We urge you to go online and download the app today. Information is available at the office.
Painting/Art
Painting/Art is done in the Card Hall at 9AM on Fridays. Coming together as artists helps to develop skills and creativity. The Club has books, brushes, paints (water, acrylic and oil) and drawing supplies. You are also encouraged to bring your own art supplies. Several painting project/lessons are planned. Whether you are experienced or a beginner, you will benefit from these projects/lessons. Contact Hank Vanderzyden @815 234 5802.

Players will be categorized as either A or B, based on skill level, and then matched up with a draw that pairs an A or B player together. This is a popular and fun night for the men. For more information contact the pool coordinator, George Dame, @ 659 Trinidad.

Sunshine
I will have cards available as needed in the Main Hall (south wall) for everyone to sign. Generally, sympathy cards are sent to current and recent residents who have lost a close family member; get well cards are sent to those who have been in the hospital or are seriously ill; birthday cards are sent to those celebrating 80 years of age or older. Please help me by letting me know of anyone who needs or would appreciate a card signed by the folks here at Trails End. You can't begin to imagine what a good feeling such a card brings to its recipient. Beth Feckter @ 349 Acapulco, 651-792-5798

All submissions for the newsletter can be forwarded to esenkiw@sasktel.net, dropped off at 714 or emailed to newsletter@trailsendclub.com. There is a drop box just outside my Texas room door. The deadline for each publication is generally the 20th day of the previous month. I am happy to have your submissions as early as possible. I will publish name, address and contact information changes as needed. There are many other ways to stay informed about Park activities – come out to the Monday Morning Meetings, check out the many bulletin boards in the main or card halls and the library and check the Club website regularly as updates are posted there. Your feedback is very important. Since the newsletter and activity booklet are for your benefit, I will strive to include the information most important and useful to you.
